

TYRTLE BEACH BOOGIE

Come with me, ready or not, come with me, ready or not, come down to Lake Salubria and do the Tyrtle Trot.

Some 20 years ago, Dave Taylor Smith said No! “Too far to go to Myrtle, just give me the tyrtles oh, ready or not, come down to Lake Salubria and do the Tyrtle Trot.

Well I’ve been told, the water is cold, a good cause they say for the youth of today! Oh, ready or not, come down to Lake Salubria and do the Turtle Trot.

You move to the right , move to the left, waddle all the way around and take a deep breath, oh ready or not, come down to Lake Saubria and do the Turtle Trot. 3 steps forward, 2 steps back, waddle all the way around and give your shell a wack! Wack!

Bridge: well there were D.A.S and D.J.S., senators and twins, coaches and teachers, and cops with fake fins! And now it’s up to me, I’m ready to go in ‘cause I’m the Sacrificial Ram, from Haverling!....

The Tyrtle Beach, The Tyrtle Beach Boogie, the Tyrtle Beach, the Tyrtle Beach Boogie, the Tyrtle Beach, the Tyrtle Beach Boogie, the Tyrtle Beach, the Tyrtle Beach Boogie, come down to Lake Salubria and do the Tyrtle Trot! (repeat)
